

YOU ASKED FOR IT > WE DID IT

NEW PREMIUM PAYMENT OPTION: Electronic Funds Transfer (EFT).

Pay securely and forget the check.

In support of all the companies moving away from traditional payment processes and opting for a more paperless approach, we are now accepting Electronic Funds Transfers for your premium payments. If your company is interested in remitting payments electronically or would like to sign up to receive invoices by email, please contact the Associated Industries Management Services team at aims@aiin.com.

Invoicing for monthly premiums will be on the 15th of the month and payments are due the 1st business day of the month. Payments will need to be scheduled to incorporate any processing time needed by your bank.
